

Eliodoro Evangelista Marasigan Foundation

Dear Sponsor,

For 20 years, EEMF has remained committed to helping individuals whose lives are affected by the harsh realities of poverty specifically those located in the barrio of Inicbulan, Bauan, Batangas in the Philippines. Through our programs, we assist the lives of the elderly who have no means of income by supplying food and financial support. Currently, there are 10 people who would not otherwise be able to support themselves. We also provide the local elementary and high school with books, supplies and financial aid. We encourage academic success by our annual presidential scholarship awards to current students as well as college scholarships to many of the highest achieving high school graduates. Currently, there are 12 college students we're providing annual scholarships for.

Your support is key! These programs are only made possible by the proceeds from our annual golf tournament and the donations from generous corporate and individual sponsors like you with 100% of the proceeds going to the charity.

This year, our 20th annual golf tournament will be held at Redwood Canyon Golf Course on Sunday, August 3rd, 2025. Would you consider donating by any of the following ways?

- \$200.00 to sponsor a tee box – A prominent sign with your or your company's name to be placed in a noticeable spot on any of the 18 hole tee boxes for everyone to appreciate. For our corporate sponsors, we will also add a link to your website on our website's sponsorship page.
- \$_____ Make a cash donation or contribute items for the raffle.
- Donate a golf item worth \$100.00 or more to be raffled off.

Thank you so much for your donations. EEMF is a non-profit organization in California and is tax exempted under IRS code section 501(c)(3). Therefore, your donations are tax deductible. Please visit us at eemfgiving.org for more information.

Sincerely,

Butch Marasigan
EEMF President
